

**Lockdown
Winter....2020/1**

Chairmans Voice!

Well, it's been so long, too long, but there may be a glimmer of hope that, following our AGM, with Government guidelines and AGB rules, we can look to come back to archery in Spring! I want to tell you an exact date, but I dare not. I have learnt from this whole pandemic episode, that to move forward we have to be patient and flexible. Nothing, regardless of vaccines and assurances, can be set in stone. We don't know what's around the corner. I also want to remind you that we understand our members **must** place the health and welfare of family above everything else.

Therefore, return may be socially distanced, additional hygiene may need to be in place. We will keep everyone informed.

So, a quick update, nothing has happened regards Griffin Archers, we have been closed. Di has sent out the AGM minutes along with the committee reports, these will show that we have welcomed back our committee in full.

Looking at our finances we have had to make the difficult decision to return to club shooting every other Friday only. We also have had to implement mandatory target fee standing orders with the option of payment club membership either upfront or along with the standing order. This membership fee must be sorted by the time we return, the figures and details are contained in this newsletter. Di and Emma will be chasing you for payments, to either update your standing order or pay your membership for the year, from 1st March 2021 (dependent on our return). Any issues, let me know!

Safe and Happy Christmas, see you in 2021.

From; Di, Myself and my Girls.
(John).
