January 2022

Book ALL SESSIONS PLEASE!

Fridays 7pm or 8pm - Sundays 3pm or 4:30pm.

It is not possible to book further than 7 days in advance.

(see John or Di to book advance sessions if you know you will be away etc)

Mandatory Face Coverings indoors! (Unless exempt or on the shooting line!)

Happy 2022, let's hope this one sees our Griffin Archers family continue to develop and thrive.

Let's get the bookings system working overtime. I wanted to remind you all that I need the bookings in place by 5pm on a Friday (for that evening) and by 1pm on a Sunday (for that afternoon).

Di needs me to remind you all about face coverings and hand sanitisers. It's all just common sense and a lot of the same thing we've been doing. But back a stage to remembering the self-hygiene and protecting ourselves and those around. Oh, and she says to remind you that I'm face covering exempt, so you still

get to see my ugly mug! 🤪

We are hoping to restrict taster sessions a bit this year, so that members get better concentration. We are also wanting to do some alternative rounds and get some scores in and badges or certificates awarded. There is a club records print out about. It is also on the club website. Score and claim your way into our records.

Anyway, lets get back to having fun, doing archery.

John x

New Year 2022, why not try something new, or that you haven't done or tried properly before. We all have things we put off or even think we dislike, then end up loving it!

Archery is the perfect sport to try out new rounds, scoring, get extra coaching or support. Challenge yourself within the safety of the Griffin Archers environment.

We have a group going to take part in a Bray 1 at Fenland later this month. We have other outside competitions that have been listed, see John, Robyn or the Notice Board.

Our Novice (under 12 months archery) sessions start monthly from the 23rd Jan at 3pm. There will be shooting alongside but at least 2 targets will be booked out for these sessions.

So, start as you mean to go on and challenge yourself...2022 is there for the taking, lets reach for the stars...together.

Have you sorted your Standing Order? Target Fees and Membership Fees are all due..NOW!

As you are all aware our membership fees are due from 1st January 2022. They remain as mandatory bank transfer or standing order payments for all. Attached is the payment due on the back page. Di can easily advise of your personal fee amounts if you are confused.

AGB/SCAS and CAA affiliations are also mandatory, most of you have them in place, if not Di can let you know exactly how to pay these too.

ANY viral /COVID symptoms, suspected contact, or diagnosis must be informed to the Club ASAP, Di – 07938554604 or 01354 659063 or Dianne.searle91@gmail.com or secretary@griffinarchers.co.uk

We need you....

Now we are all getting to understand each other, work alongside and consider other members personal space and shooting. We need your input. Photos for Facebook or website, information you find out when not in club, even blogs/vlogs of competitions or shoots.

We try really hard to be active across social media, and to keep up with all the latest news.

We are hoping that we can get a far more “normal” archery year in. Whatever that may end up being.

And finally....

Look out for emails and texts and that Griffin WhatsApp group. We will try and keep you all as up to date with the world of archery and any regulation changes. Di x

Remember, the coaching team can give you help and advice when purchasing equipment, setting up, or having problems. They also have access to measuring arrows and bow weights. Just ask, email, chat to, or let Di know.
